

WITH NAGE,

YOU STILL HAVE SOMEONE ON YOUR SIDE!

NAGE will be there to defend your right to:

- Appeal discipline
- Appropriate pay for your work
- Freedom from discrimination
- Fair treatment on the job
- Challenging an unlawful RIF
- And much more!

Where we have a collective bargaining agreement, we enforce it!

No matter what happens, **NAGE can still represent you** when you have workplace issues.

Even if there is no collective bargaining agreement, NAGE still has **full-time staff representatives and attorneys to assist you** as a Dues Paying Member.

NAGE can* represent you in many administrative forums regarding your employment, including administrative grievances, MSPB, OSC, EEOC & others.
